TRIP OPTIONS AT A GLANCE: *Camping Trips*

Our "Beginning" camping trips include even more dogsledding than our 4-night lodge trips, plus many more experiences. If you're moderately fit, feeling adventurous and want to go for the "gusto," choose a camping trip. Age doesn't matter – kids 8 & up and seniors enjoy our camping trips as much as our lodge trips. Our "Advanced" trips are even more adventurous and involve skiing or snowshoeing in addition to dogsledding. Our Arctic trips rank somewhere between our "Beginning" and "Advanced" trips in terms of challenge, but the Arctic setting is, of course, vastly more remote & exotic. The camping trips all include first & last nights in lodges. All the camping equipment, including sleeping gear is provided.

Beginning Dogsled Camping Trips: These 5-night "Wintergreen Classics" are suited for complete beginners who are reasonably fit. They feature full training & outfitting, 4 days dogsledding, 3 nights tent camping, plus first and last nights in lodges. You'll dogsled each day while also learning winter camping skills and getting a taste of snowshoeing and back-country skiing. Open to all ages. Lots of fun & lots of learning!

Advanced Dogsled & Ski Camping Adventures: Suited for persons with prior outdoor experience and better than average fitness, these extraordinary adventures are generally led by Wintergreen founder Paul Schurke. These 6-night itineraries (with first & last nights in lodges) feature a 5 day/4 night expedition with a daily mix of travel by dogsled and ski or snowshoes along exceptionally historic & scenic routes.

Arctic Adventures: Ready for the adventure of a lifetime? Wintergreen director Paul Schurke has explored the Arctic for over 40 years and pioneered many adventure routes. Trips options vary each year but include dogsledding the coast of Hudson Bay along Polar Bear National Park to Churchill and dogsledding northwest Greenland with Polar Eskimos on the world's most traditional Arctic cultural & adventure experience.

Singles, 3-somes & groups: Our 4-night "Star" trips host 2-4 guests. Singles, pairs & 3-somes can register for our 4-night "Deluxe" and 3-night lodge-based vacations and camping trips, all of which generally host up to 6 guests. Groups of 4 or more can book their own private custom trip.

Age & experience: These don't matter. People ages 6-80 have enjoyed our trips. Most of our guests have never dogsledded before (and some have never seen snow!). No experience & no special gear is needed. We'll even outfit you with winter clothing and warm rental boots!

Fitness & Health: Dogsledding accommodates persons of virtually any fitness level. However, if you are seriously out-of-shape (for example, if you find walking a mile to be exhausting), then our trips may be too challenging. If you have basic fitness (that is, if you could walk 2-3 miles without much difficulty), then you'd enjoy any of our lodge-to-lodge trips. If you're moderately fit or better (and could handle, for example, a 5-mile walk), then our camping trips would be a fit for you as well. If you have concerns about your fitness, please feel free to discuss them with us. We're happy to accommodate any dietary requests and various health conditions & disabilities. Dogsledding suits most everyone!

Payments & Discounts: Register with a \$100/person deposit, balance due 8 weeks before trip. Package rates listed are per adult in dbl rooms. Rates for singles requesting private rooms: + \$50/night. Youth discounts: ages 6-11 \$200 off; ages 12-17 \$100 off. Family discount: up to \$300 off/child. Private groups of 6 or more reserving their own trip get \$100 off/adult. Discounts are not cumulative (largest discount applies).

Payments are fully refundable until Oct 1. Payments minus \$100 deposit are refundable after Oct 1 & until 2 months before your trip. Within 2 months of your trip, payments are nonrefundable but transferable to another trip. **Summer Sign-up Discount:** NEW GUESTS who register with FULL payment by September get \$100 off/adult. RETURNING guests get \$100 off any trip, any time (or \$150 off with FULL summer payment.)
